9 **5.110 In-house progressive payoff schedules.**

10 1. No Change.

11 2. The amount of a progressive payoff schedule shall be conspicuously displayed at or
12 near the games or machines to which the payoff schedule applies. Each licensee shall record
13 the following information in a progressive log:

14 (a) ~~†~~The base amount of each progressive payoff schedule when first exposed for play
15 ~~[and subsequent to each payoff.];~~

16 (b) ~~Except as otherwise specified in this section, [A]~~at least once a day, ~~[each licensee~~
17 ~~shall log]~~ the amount of each progressive payoff schedule at the licensee's establishment
18 ~~[except for those that can be paid directly from a slot machine's hopper or those offered in~~
19 ~~conjunction with an inter-casino-linked system].~~

20 (c) Progressive payoff schedules which are less than \$1,200 and offered in conjunction
21 with a slot machine are not required to be recorded in a progressive log on a recurring basis.

22 (d) For progressive payoff schedules of \$1,200 or more that are offered in conjunction with
23 a slot machine, nonrestricted licensees shall log the amount of each progressive payoff
24 schedule not less often than once every 7 days if the progressive payoff schedule is linked to
25 a slot machine or slot machines that are connected to a Board approved on-line slot metering
26 system and the metering system records information that can be used to reasonably calculate
27 the progressive payoff; and

28 (e) For progressive payoff schedules required to be logged by this section, [E]explanations

1 for reading decreases ~~[shall be maintained with the progressive logs. When the reduction is]~~
2 attributable to a payoff, ~~[the licensee shall record]~~ the date of payoff, the payoff amount, and
3 the payoff form number ~~[on the log or have the number reasonably available].~~

4 ↳For progressives offered in conjunction with an inter-casino linked system, licensees
5 shall follow the requirements set forth in section 5.112.
